

BEFORE THE LOCAL 282 EXECUTIVE BOARD

IN THE MATTER OF
STEVEN MURRAY

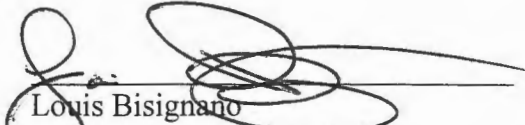

DECISION

A hearing was held on July 12, 2018 to hear charges proposed by the Independent Investigations Officer and initiated by Local 282 President Thomas Gesualdi. Brother Steven Murray was charged with bringing reproach upon Local 282 and the IBT and obstructing, interfering and unreasonably failing to cooperate with the Independent Investigations Officer (“IIO”) as set forth in the Final Agreement and Order dated February 17, 2015 entered in United States v. IBT, 88 Civ. 4486 (SDNY).

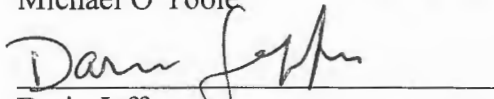

It was determined that Brother Murray did in fact bring reproach upon Local 282 and the IBT and obstructed, interfered and unreasonably failed to cooperate with the Independent Investigations Officer (“IIO”) by willfully and without justification refusing to answer certain questions during the May 8, 2018 in-person sworn examination conducted pursuant to the Final Agreement and Order and the Rules Governing the Authorities of Independent Disciplinary Officers and the Conduct of Hearings.

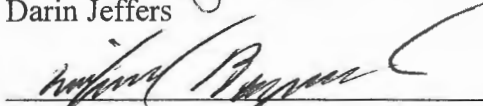

1. Local 282 hereby, effective immediately, expels Brother Murray from membership in Local 282, the International and any affiliate of the International and forever bars him from holding membership or office in or employment with Local 282, the International, any affiliate of the International, or any affiliated employee benefit plan; and
2. Forever bars Brother Murray from seeking or accepting money or other compensation for any goods or services from Local 282, the International, any affiliate of the International, or any affiliated employee benefit plan, other than the receipt of vested benefits to which he may be lawfully entitled by reason of participation in an employee benefit plan; and
3. This decision also prevents Local 282 and any other IBT-affiliated entity from making any contributions on Mr. Murray’s behalf to any benefit fund.
4. Such other relief as is just and appropriate.
