REDACTED

Executive Session

Following an Executive Session of the GEB, the following motion was presented by Vice President John Coli:

The General Executive Board interprets Article XIX, Section 7 of the International Constitution in the circumstances described in the charges against Vice President Rome Aloise and endorses indefinitely postponing any hearing until any court proceedings that may be initiated are complete.

Vice President George Miranda seconded the motion, which carried unanimously. Vice President Rome Aloise was absent during the presentation and vote.
